In pursuance of the strategy, the Government has taken various measures on political, legal, security and development fronts. The Governemnt is willing to talk to all those groups who agree to adjure violence and surrender arms. The counter terrorism measures include effective border management to check infiltration, deployment of Central forces to aid the State Police forces in areas prone to terrorist violence, heightened vigil and security arrangements in vulnerable areas and around vital installations, strengthening of intelligence gathering and sharing capabilities, particularly at the cutting edge level, augmentation and modernisation of police forces and raising of India Reserve battalions, ensuring imporved technology, weaponry and equipment with the Central and State Police forces and steps to achieve bilateral and multi-lateral cooperation to combat terrorism.
